

## Directions for setting up a Parent Account in Schoology

In your browser, navigate to **schoology.com**

In the top right corner of the screen, click **Sign Up**

Click **Parent**.

The screenshot shows a navigation bar with three buttons: "Log In", "Sign Up", and "Request a Demo". Below this, a "Sign up for Schoology" menu is displayed with three options: "Instructor", "Student", and "Parent".

You should have received a Parent Access Code from your child's school. Enter that code here:

Click Continue

The screenshot shows a "Sign up for Schoology" screen with a text input field labeled "Access Code". Below the field is the instruction "Enter the access code provided by your child's instructor." and a "Continue" button.

5. Enter your name, email address, and password

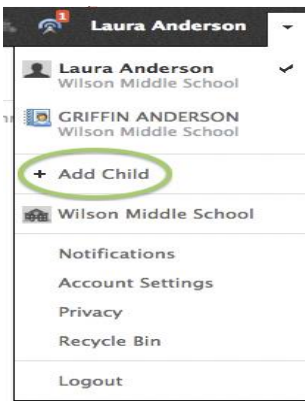

The screenshot shows a "Sign up for Schoology" form with a "Back" link. The form includes fields for first name ("Laura"), last name ("Anderson"), email address ("landerson@example.com"), and two password fields (both masked with "XXXXXX"). There is a checkbox for "Receive periodic Schoology Updates" and a "Register" button.

Once you log in, you'll be able to browse your child's activities by selecting your child's name from the top right dropdown.

The screenshot shows a user profile dropdown menu for "Laura Anderson" at "Wilson Middle School". The menu includes options for "GRIFFIN ANDERSON" (Wilson Middle School), "+ Add Child", "Wilson Middle School", "Notifications", "Account Settings", "Privacy", "Recycle Bin", and "Logout".

You also have the option to associate additional children using Schoology with this account.

To associate  
account, select

additional children, click on the downfacing arrow on the top right of your Schoology  
Add Child, and enter the Parent Access Code for your other child/children.
