Principal's Corner

Welcome back to school parents and students! We are excited to begin another year and look forward to what it holds. We have several new students and some new additions to the staff. I also have a new addition at home. My new baby boy was born in July! He is lovely and I am blessed.

I am currently on maternity leave and will return September 14th. The substitute principal is one I have worked with before, when I was her AP at Bridgeview. She is a retired principal, so I am glad she was willing to help! I have full confidence everything will run smoothly in my absence.

As always, feel free to come in and visit anytime or even call if you have questions or concerns. Ideas for school improvement are appreciated and welcomed. It takes all of us working together to give your child the best environment possible. I look forward to watching your children grow into the best student and person they can be throughout this school year!

From Mrs. Strader

Mrs. McCloud mentioned that I was filling in for her while she was out on maternity leave. I retired several years ago, and being able to sub for younger principals has been a joy for me. I have enjoyed helping get school started and meeting new teachers and students. Everyone is very kind, and the kids are getting to know me as I'm in and out of their classrooms most days. Chamberlain is a

special place where everyone looks out for one another.

I hope you all have a great school year!

Candy Strader

Retired Principal KCS
